IMISEBENZI EYONWABISAYO

1.1 Umnxeba oqhawukileyo

Iziphumo:

Ukuzonwabisa lo gama ufundayo.
Ukwenza imbula-mbethe.

Misa Abafundi bakho ngokwemigca,babe ngamaqela amalunga ne-10. Cela umntu ongaphambili kumgca ngamnye ukuba eze kwidesika yakho ukuza kukhangela iphepha ekubhalwe kulo isivakalisi. Nje ukuba umntu ngamnye asibethelele entloko isivakalisi, makabuyele kwiqela lakhe ukuze afike asebezele umntu wesibini. Umntu wesibini makasebezele umntu wesithathu, njalo njalo. Xa umntu wokugqibela kumgca ngamnye efumana umyalezo, makeze ngaphambili aze acelwe ukuba avakalise ukuba ukholelwa ekubeni besisithini isivakalisi phaya ekuqaleni ngqa. Ungasebenzisa le mizekelo ilandelayo okanye wenze ezakho izivakalisi.

1. Kwi*Mars* abantu abavela kwelinye ilizwe batya isonka samasi esinevumba kwaye bonke basisini esinye ngako oko ke akukho nto injengothando oluvuthayo.
